WHSL GR: Women and Children - Cultural Considerations When Caring for Haitian Creole Patients - 4/26/2023

Virtually Hosted,

Faculty:

Program Goal:

Learning Objectives:

- 1 Relate to Haitian Creole culture and how that shapes access and understanding of healthcare in this region
- 2 Describe the social determinants of health concerns faced by Haitian Creole individuals living in south Central Pennsylvania and local resources available to support individual patient SDOH needs
- 3 Identify supportive resources available when working with Haitian Creole patients receiving care through WellSpan (example: language interpretation services)

“WellSpan Health is accredited by the Pennsylvania Medical Society to provide continuing medical education for physicians. WellSpan Health takes responsibility for content, quality and scientific integrity of its CME activity.”

“WellSpan Health designates this for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.”

“All faculty participating in continuing medical education programs sponsored by WellSpan Health are expected to disclose to the program audience whether they do or do not have any real or apparent conflict(s) of interest or other relationships related to the content of their presentation(s).”
