

WellSpan Health ~ Hybrid (virtual & in-person)

Emergency Medicine Journal Club 2025 - 12/11/2025

Hybrid (virtual & in-person),

Faculty:

Program Goal:

Learning Objectives:

- 1 Discuss whether or not you would recommend lung-protective ventilation or conventional ventilation in your acute brain injury patients without ARDS
- 2 Identify what some of the limitations are of the PROLABI study and if they influence how you interpret the provided conclusions
- 3 Review the rationale of why or why you will not continue to perform chest US to evaluate for traumatic pneumothorax

“WellSpan Health is accredited by the Pennsylvania Medical Society to provide continuing medical education for physicians. WellSpan Health takes responsibility for content, quality and scientific integrity of its CME activity.”

“WellSpan Health designates this for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.”

“All faculty participating in continuing medical education programs sponsored by WellSpan Health are expected to disclose to the program audience whether they do or do not have any real or apparent conflict(s) of interest or other relationships related to the content of their presentation(s).”
