

WellSpan Health ~ Hybrid (virtual & in-person)

Emergency Medicine Faculty Development Series 2026 - FAST in the ED Trauma Patient - 8/12/2026

Hybrid (virtual & in-person),

Faculty:

Program Goal:

Learning Objectives:

- 1 Describe how to perform a standardized FAST examination by obtaining and interpreting the core ultrasound views, while recognizing strategies to optimize your sonographic views.
- 2 Identify normal and abnormal FAST exam ultrasound findings including intraperitoneal free fluid, thoracic fluid, and pericardial fluid.
- 3 Integrate FAST exam findings into the clinical evaluation and management of trauma patients presenting to the Emergency Department.

“WellSpan Health is accredited by the Pennsylvania Medical Society to provide continuing medical education for physicians. WellSpan Health takes responsibility for content, quality and scientific integrity of its CME activity.”

“WellSpan Health designates this for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.”

“All faculty participating in continuing medical education programs sponsored by WellSpan Health are expected to disclose to the program audience whether they do or do not have any real or apparent conflict(s) of interest or other relationships related to the content of their presentation(s).”
