**WellSpan York Hospital, May 28, 2020 07:00 AM to 08:00 AM**

**Craig Ruder, MD; John R Deitch, MD**

**Disclosure of Commercial Interest:**

The following disclosures have been made by the speaker(s):

Craig Ruder, MD: Nothing to disclose

John R Deitch, MD: Nothing to disclose

The following disclosures have been made by planners and content reviewers:

Bohrn, Michael (Committee Member) : Nothing to disclose

Deitch, John (Activity Director) : Nothing to disclose

**Objectives:**

At the conclusion of this presentation, participants should be able to:

- 1 Discuss common sports related injuries and confidently evaluate and treat injuries based on appropriate use of advanced imaging studies in both a primary or specialty practice environment.
- 2 Describe a systematic approach to interpreting advanced musculoskeletal imaging studies (MRI, CT, MSK Ultrasound) and correlate findings with findings visualized at arthroscopy
- 3 Discuss arthroscopy of the ankle, knee, hip, shoulder, elbow and wrist and show the relationship in terms of visualization of normal and abnormal anatomy in the diagnosis of common sports related injuries and conditions

"WellSpan Health is accredited by the Pennsylvania Medical Society to provide continuing Medical Education for physicians. WellSpan Health takes responsibility for content, quality and scientific integrity of its CME activity."

"WellSpan Health designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity."
