

WellSpan Health ~ Virtually Hosted

Surgical Management of Cyanotic Congenital Heart Disease

Virtually Hosted,

Faculty:

Program Goal:

Learning Objectives:

1 Describe four important cyanotic heart defects, including: anatomy and physiology, clinical presentation and workup and medical and surgical management.

1 Identify current outcomes for surgical repair of cyanotic defects.

3 Describe our pediatric heart program at the Penn State Health Children's Hospital.

"WellSpan Health is accredited by the Pennsylvania Medical Society to provide continuing medical education for physicians. WellSpan Health takes responsibility for content, quality and scientific integrity of its CME activity."

"WellSpan Health designates this for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity."

"All faculty participating in continuing medical education programs sponsored by WellSpan Health are expected to disclose to the program audience whether they do or do not have any real or apparent conflict(s) of interest or other relationships related to the content of their presentation(s)."
